If you know how to read, you have a complete education about life, then you know how to vote within a democracy. But if you don't know how to read, you don't know how to decide. That's the great thing about our country - we're a democracy of readers, and we should keep it that way.
-- Ray Bradbury

The capacity of human beings to bore one another seems to be vastly greater than that of any other animals. Some of their most esteemed inventions have no other apparent purpose, for example, the dinner party of more than two, the epic poem, and the science of metaphysics.
 -- H. L. Mencken
