Of all the words of witch's doom
There's none so bad as which and whom.
The man who kills both which and whom
Will be enshrined in our Who's Whom.
-- Fletcher Knebel

21	36		22	37			23	24

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
