A priest was walking along the cliffs at Dover when he came upon two locals pulling another man ashore on the end of a rope. "That's what I like to see," said the priest, "A man helping his fellow man." As he was walking away, one local remarked to the other, "Well, he sure doesn't know the first thing about shark fishing."

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
