Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

If you use logic you can solve the puzzle without guesswork.

Need a little help? The hints page shows a logical order to solve the puzzle. Use it to identify the next square you should solve. Or use the answers page if you really get stuck.

*There is little difference in people, but that little difference makes a big difference. That little difference is attitude. The big difference is whether it is positive or negative.
-- Robert Collier*
