Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

If you use logic you can solve the puzzle without guesswork.

Need a little help? The hints page shows a logical order to solve the puzzle. Use it to identify the next square you should solve. Or use the answers page if you really get stuck.

I spent three days a week for 10 years educating myself in the public library, and it's better than college. People should educate themselves - you can get a complete education for no money. At the end of 10 years, I had read every book in the library and I'd written a thousand stories.
-- Ray Bradbury
