It was a saying of the ancients, "Truth lies in a well;" and to carry on  
 this metaphor, we may justly say that logic does supply us with steps, whereby  
 we may go down to reach the water.

*Your personal life, your professional life, and your creative life are all intertwined. I went through a few very difficult years where I felt like a failure. But it was actually really important for me to go through that. Struggle, for me, is the most inspirational thing in the world at the end of the day - as long as you treat it that way.*
