Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

If you use logic you can solve the puzzle without guesswork.

Need a little help? The hints page shows a logical order to solve the puzzle. Use it to identify the next square you should solve. Or use the answers page if you really get stuck.

*Of all the animals, the boy is the most unmanageable.
-- Plato*

To play the trumpet, you must train your lips for a long time. When I was twelve or thirteen I was a good player, but I lost the skill and now I play very badly. I do it every day even so. The reason is that I want to return to my childhood. For me, the trumpet is evidence of the sort of young man I was.
-- Umberto Eco
