Many politicians ... are in the habit of laying it down as a self-evident proposition, that no people ought to be free till they are fit to use their freedom. The maxim is worthy of the fool ... who resolved not to go into the water till he had learned to swim.
-- Thomas Babington Macaulay

*Look at a football field. It looks like a big movie screen. This is theatre. Football combines the strategy of chess, its part ballet. It's part battleground, part playground. We clarify, amplify and glorify the game with our footage, the narration and that music, and in the end create an inspirational piece of footage.
