Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

If you use logic you can solve the puzzle without guesswork.

Need a little help? The hints page shows a logical order to solve the puzzle. Use it to identify the next square you should solve. Or use the answers page if you really get stuck.

*I challenge you to make your life a masterpiece. I challenge you to join the ranks of those people who live what they teach, who walk their talk.
 -- Tony Robbins*

If a man walks in the woods for love of them half of each day, he is in danger of being regarded as a lodger. But if he spends his days as a speculator, shearing off those woods and making the earth bald before her time, he is deemed an industrious and enterprising citizen.
--Henry David Thoreau
