Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

If you use logic you can solve the puzzle without guesswork.

Need a little help? The hints page shows a logical order to solve the puzzle. Use it to identify the next square you should solve. Or use the answers page if you really get stuck.

Every man is a volume if you know how to read him.
-- Channing

Learn to enjoy every minute of your life. Be happy now. Don't wait for something outside of yourself to make you happy in the future. Think how really precious is the time you have to spend, whether it's at work or with your family. Every minute should be enjoyed and savored.
-- Earl Nightingale

To play the trumpet, you must train your lips for a long time. When I was twelve or thirteen I was a good player, but I lost the skill and now I play very badly. I do it every day even so. The reason is that I want to return to my childhood. For me, the trumpet is evidence of the sort of young man I was.
-- Umberto Eco
