Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

If you use logic you can solve the puzzle without guesswork.

Need a little help? The hints page shows a logical order to solve the puzzle. Use it to identify the next square you should solve. Or use the answers page if you really get stuck.

You are a product of your environment. So choose the environment that will best develop you, toward your objective. Analyze your life in terms of its environment. Are the things around you helping you toward success - or are they holding you back?
-- W. Clement Stone
