Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

If you use logic you can solve the puzzle without guesswork.

Need a little help? The hints page shows a logical order to solve the puzzle. Use it to identify the next square you should solve. Or use the answers page if you really get stuck.

In case of injury notify your superior immediately. He'll kiss it and make it better.

Science is facts; just as houses are made of stones, so is science made of facts; but a pile of stones is not a house and a collection of facts is not necessarily science.
-- Henri Poincaré

If you know how to read, you have a complete education about life, then you know how to vote within a democracy. But if you don't know how to read, you don't know how to decide. That's the great thing about our country - we're a democracy of readers, and we should keep it that way.
-- Ray Bradbury
