Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

If you use logic you can solve the puzzle without guesswork.

Need a little help? The hints page shows a logical order to solve the puzzle. Use it to identify the next square you should solve. Or use the answers page if you really get stuck.

*Learning how to get in tune with your field of energy and understand how to create your energy, expand that energy, and move that energy through your body. Coming back to your center, and approaching life from that center-to-line place.... That to me gave me strength and understanding and hopefully wisdom to solve life's problems and challenges.
--Erin Gray*
