Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

If you use logic you can solve the puzzle without guesswork.

Need a little help? The hints page shows a logical order to solve the puzzle. Use it to identify the next square you should solve. Or use the answers page if you really get stuck.

You see much more of your children once they leave home.

If we believe in a God at all, we must surely ascribe to him perfection of wisdom and perfection of goodness; we are then forced to conceive of Him - however strange it may sound to those who believe, not only without seeing but also without thinking - as without will, because He must always necessarily pursue the course which is wisest and best.
-- Annie Besant
