Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

If you use logic you can solve the puzzle without guesswork.

Need a little help? The hints page shows a logical order to solve the puzzle. Use it to identify the next square you should solve. Or use the answers page if you really get stuck.

"I'm kidding about having only a few dollars. I might have a few dollars more."
-- James Brown

Experience keeps a dear school, but fools will learn in no other, and scarcely in that; for it is true, we may give advice, but we cannot give conduct. Remember this: They that will not be counseled cannot be helped. If you do not hear reason she will rap you over the knuckles.
-- Benjamin Franklin
