When other people take a long time to do something, they're slow; when we take a long time, we're thorough. When they don't do something, they're lazy; when we don't, we're too busy. When they succeed, they're lucky; when we do, we deserve it.

liberally and upbraideth not; and it shall be given him. But let him ask in

We should be careful to get out of an experience only the wisdom that is in it -- and stop there; lest we be like the cat that sits down on a hot stove-lid. She will never sit down on a hot stove-lid again -- and that is well; but also she will never sit down on a cold one anymore.
-- Mark Twain
