The value of money has an objective regulator only when it is linked to a real commodity, like gold, itself requiring the cost of human labor to be produced. By comparison, the value of inconvertible paper money has no objective regulator, its marginal cost of production being nearly zero.

There is no difference between man and man, as there is between man and beast or between man and God, that makes one by nature the ruler of another. This does not mean that there are not wide differences among men, or that it is not often to the advantage of some to be ruled by others.

It was replaced by disco, which offers no guidance to any form of life
more advanced than the lichen family.

Rule of Feline Frustration:
When your cat has fallen asleep on your lap and looks utterly
content and adorable, you will suddenly have to go to the
bathroom.
