 so many.

Never drink coke in a moving elevator. The elevator's motion coupled with the chemicals in coke produce hallucinations. People tend to change into lizards and attack without warning, and large bats usually fly in the window. Additionally, you begin to believe that elevators have windows.

A physician is not angry at the intemperance of a mad patient, nor does he take it ill to be railed at by a man in a fever. Just so should a wise man treat all mankind, as a physician treats a patient, and look upon them only as sick and extravagant.

-- Seneca

We lie about the truth, that's what ruins us here. And do you know why we lie about the truth? Not because we like to, but because we are scared to death of it. If we looked the truth in the eye nine out of ten of us would run to the graveyard and demand to be buried at once.
