Fill in the blank squares so that each row, each column, and each jigsaw shape contain all of the digits 1 thru 9.

Need a little help? The hints page shows a logical order to solve the puzzle. Use it to identify the next square you should solve. Or use the answers page if you really get stuck.

The criterion of true beauty is, that it increases in examination: of false, that it lessens. There is something, therefore, in true beauty that corresponds with the right reason, and it is not merely the creature of fancy.
— Grenville
