Narsidin walked into a rehearsal and declined. "The moon is more useful
 than the sun." "Why?" he was asked. "Because at night we need the
 light more."

A army's effectiveness depends on its size, training, experience and morale
 ... and morale is worth more than all the other factors combined.
 -- Napoleon Bonaparte

Every program has (at least) two purposes: the one for which it was
 written and another for which it wasn't.

The specialist learns more and more about less and less until, finally, he knows everything about nothing, whereas the generalist learns less and less about more and more until, finally, he knows nothing about everything.

*Turandot's Law:
The attention span of a computer is only as long as its electrical cord.*
