Fill in the blank squares so that each row, each column, and each jigsaw shape contain all of the digits 1 thru 9.

Need a little help? The hints page shows a logical order to solve the puzzle. Use it to identify the next square you should solve. Or use the answers page if you really get stuck.

*If you've already donated, thank you so much!
My family and I really appreciate your support.*

*Velind's Laws of Experimentation:
1. If reproduction may be a problem, conduct the test only once.
2. If a straight line fit is required, obtain only two data points.*

Jigsaw Sudoku #2

Fill in the blank squares so that each row, each column, and each jigsaw shape contain all of the digits 1 thru 9.

Need a little help? The hints page shows a logical order to solve the puzzle. Use it to identify the next square you should solve. Or use the answers page if you really get stuck.

I dread success. To have succeeded is to have finished one's business on earth, like the male spider, who is killed by the female the moment he has succeeded in his courtship. I take a case of criminal becomes with some of my work and get out behind.
— George Bernard Shaw

When the need arises -- and it does -- you must be able to show your own dog.
 Don't farm it out -- that doesn't make it nice; it makes it worse.
 -- Lemony Snicket

Make the most of the day; by determining to spend it on two sorts of
 acquaintances only -- those by whom something may be got, and those from whom
 something may be learned.
 -- Colton
