Many politicians ... are in the habit of laying it down as a self-evident proposition, that no people ought to be free till they are fit to use their freedom. The maxim is worthy of the fool ... who resolved not to go into the water till he had learned to swim.

Work Rule: Leave of Absence (for an Operation) -- We are no longer allowing this practice. We wish to discourage any thoughts that you may not need all of whatever you have, and you should not consider having anything removed. We hired you as you are, and to have anything removed would certainly make you less than we bargained for.
