

Kakuro #3

11x17 Kakuro Puzzles by KrazyDad, Volume 2, Book 12

© 2011 KrazyDad.com

Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word. If you add the digits in a word, the sum will be the number shown in the clue. Clues are shown on the left and right sides of "across" words, and on the top and bottom sides of "down" words.

Today is the first day of the rest of your life.

Don't go around saying the world owes you a living. The world owes you nothing. It was here first. -- Mark Twain

*This pleasant, sure, to see one's name in print. A book's a book, although
there's nothing in it.
-- Lord Byron*
