Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word. If you add the digits in a word, the sum will be the number shown in the clue. Clues are shown on the left and right sides of "across" words, and on the top and bottom sides of "down" words.

Rebellion to tyrants is obedience to God.
-- Thomas Jefferson

There are souls which fall from heaven like flowers, but ere they bloom are
crushed under the foot-press of some untid hoof.
