

Kakuro #1

11x17 Kakuro Puzzles by KrazyDad, Volume 2, Book 15

© 2011 KrazyDad.com

Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word. If you add the digits in a word, the sum will be the number shown in the clue. Clues are shown on the left and right sides of "across" words, and on the top and bottom sides of "down" words.

... persons who would be placed outside the pale of society with contempt
are not those who would be placed there by another culture.
-- Ruth Benedict

It warns me, it charms me, To mention but her name: It heats me, it bears
me, And set me a on flame.
-- Burns

Whether he is his brother's keeper or his keeper's brother.
-- Brian Kasar

We all want our friends to tell us our best qualities; it is only the particular ones that does so that we can't tolerate.
-- William James
