

Kakuro #1

11x17 Kakuro Puzzles by KrazyDad, Volume 2, Book 49

"All grand thoughts come from the heart."
-- Marquis De Vaumartines

Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word. If you add the digits in a word, the sum will be the number shown in the clue. Clues are shown on the left and right sides of "across" words, and on the top and bottom sides of "down" words.

Anyone nit-picking enough to write a letter of correction to an editor
 doubtless deserves the error that provoked it.
 -- Alvin Toffler

Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word. If you add the digits in a word, the sum will be the number shown in the clue. Clues are shown on the left and right sides of "across" words, and on the top and bottom sides of "down" words.
