

Kakuro #1

11x17 Kakuro Puzzles by KrazyDad, Volume 2, Book 70

© 2011 KrazyDad.com

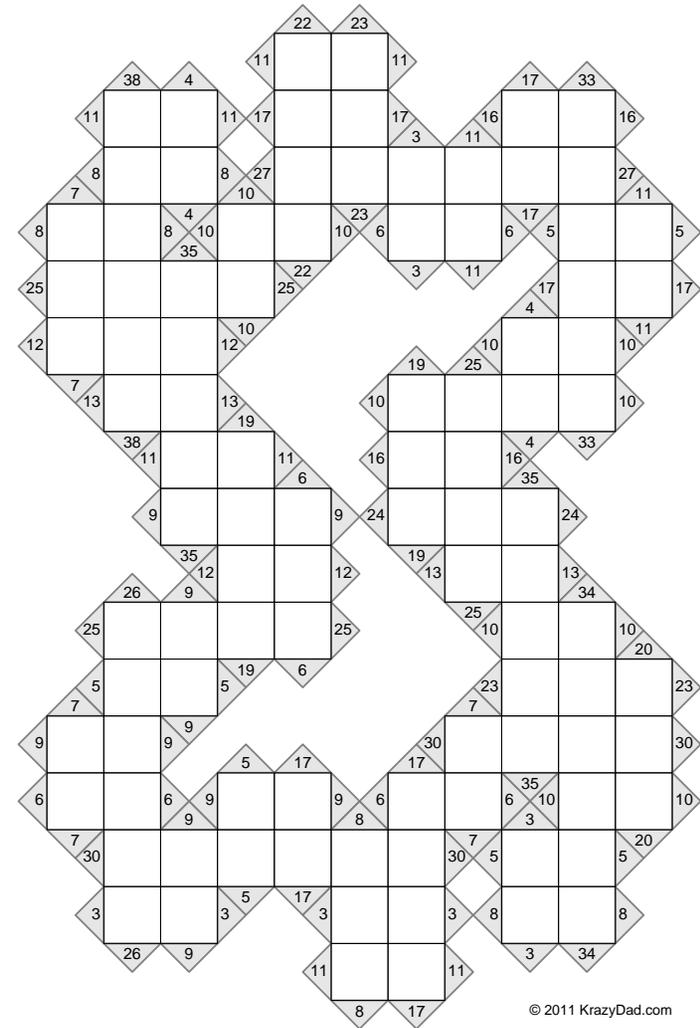

Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word. If you add the digits in a word, the sum will be the number shown in the clue. Clues are shown on the left and right sides of "across" words, and on the top and bottom sides of "down" words.

Don't permit yourself to get between a dog and a lamp-post.

If you have to scream, you're not doing it right.
-- Billy Martin

That's not writing, that's typing!
-- Truman Capote

Life is sometimes hard to love, though we must love it because we have no other. To fail to love it is to cease to exist.
