# Kakuro #1

11x17 Kakuro Puzzles by KrazyDad, Volume 2, Book 71

A 11x17 Kakuro puzzle grid. The grid is mostly empty, with some numbers filled in. Clues are shown in triangles around the grid. The grid is intended to be solved by the user.

Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word. If you add the digits in a word, the sum will be the number shown in the clue. Clues are shown on the left and right sides of "across" words, and on the top and bottom sides of "down" words.
