Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word. If you add the digits in a word, the sum will be the number shown in the clue. Clues are shown on the left and right sides of "across" words, and on the top and bottom sides of "down" words.

"I know the answer! The answer lies within the heart of all mankind!
 The answer is twelve? I think I'm in the wrong building."
 -- Charles Schultz

Abnuptness is eloquence in parting, when spinning out the time is but the weaving of new sorrow.
 -- Sir John Suckling
