Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word. If you add the digits in a word, the sum will be the number shown in the clue. Clues are shown on the left and right sides of "across" words, and on the top and bottom sides of "down" words.

Amoriness is elegance in parting, when spinning out the time is but the weaving of new sorrows.
 -- Sir John Suckling

Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word. He is truly wise who gains wisdom from another's mistake.

He has more goodness in his little finger than you have in your whole body.
-- Jonathan Swift

*Rule of the Great:
 When people you greatly admire appear to be thinking deep thoughts,
 they probably are thinking about lunch.*

Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word.
