*Religion is the best armor that anyone can have, but it is the worst*  
*— Byron*

*"You've got to have a gimmick if your hand sucks."*  
*-- Gary Oldman*

Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word. If you add the digits in a word, the sum will be the number shown in the clue. Clues are shown on the left and right sides of "across" words, and on the top and bottom sides of "down" words.
