11x17 Kakuro Puzzles by KrazyDad, Volume 3, Book 94

© 2012 KrazyDad.com

Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word. If you add the digits in a word, the sum will be the number shown in the clue. Clues are shown on the left and right sides of "across" words, and on the top and bottom sides of "down" words.

The post always looks better than it was. It's only pleasant because it isn't here.  
-- Finley Peter Dunne (Mr. Dooley)

Never underestimate the power of human stupidity.

"A good painting to me has always been like a friend. It keeps me company, comforts and inspires." -- Hedy Lamarr
