Never join with your friend when he advises his horse or his wife, unless the one is about to be sold, and the other to be burned.
-- Cotton

Truth is a state, and you are all just a bunch of pigeons.

Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word. If you add the digits in a word, the sum will be the number shown in the clue. Clues are shown on the left and right sides of "across" words, and on the top and bottom sides of "down" words.
