

Kakuro #1

11x17 Kakuro Puzzles by KrazyDad, Volume 9, Book 97

© 2014 KrazyDad.com

Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word. If you add the digits in a word, the sum will be the number shown in the clue. Clues are shown on the left and right sides of "across" words, and on the top and bottom sides of "down" words.

Blessed are they who Go Around in Circles, for they Shall be Known as Wheels.

If you can't get the answer in the usual manner, start at both ends and try to find a common middle.
