

Kakuro #1-4

5x5 Kakuro Puzzles by KrazyDad, Volume 10, Book 22

Some men put me in mind of half-bred horses, which often grow worse in proportion as you feed and exercise them for improvement. -- Greville

Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word. If you add the digits in a word, the sum will be the number shown in the clue. Clues are shown on the left and right sides of "across" words, and on the top and bottom sides of "down" words.
