

Kakuro #1

6x6 Kakuro Puzzles by KrazyDad, Volume 12, Book 27

Forecasters tend to learn less and less about more and more, until in the end they know nothing about everything.
 -- Edgar R. Fiedler

Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word. If you add the digits in a word, the sum will be the number shown in the clue. Clues are shown on the left and right sides of "across" words, and on the top and bottom sides of "down" words.
