

Kakuro #1

6x6 Kakuro Puzzles by KrazyDad, Volume 12, Book 40

© 2015 KrazyDad.com

Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word. If you add the digits in a word, the sum will be the number shown in the clue. Clues are shown on the left and right sides of "across" words, and on the top and bottom sides of "down" words.

His zeal was hollow; his sermons were like students' songs imperfectly
 recalled by a senile don.
 --John Keats

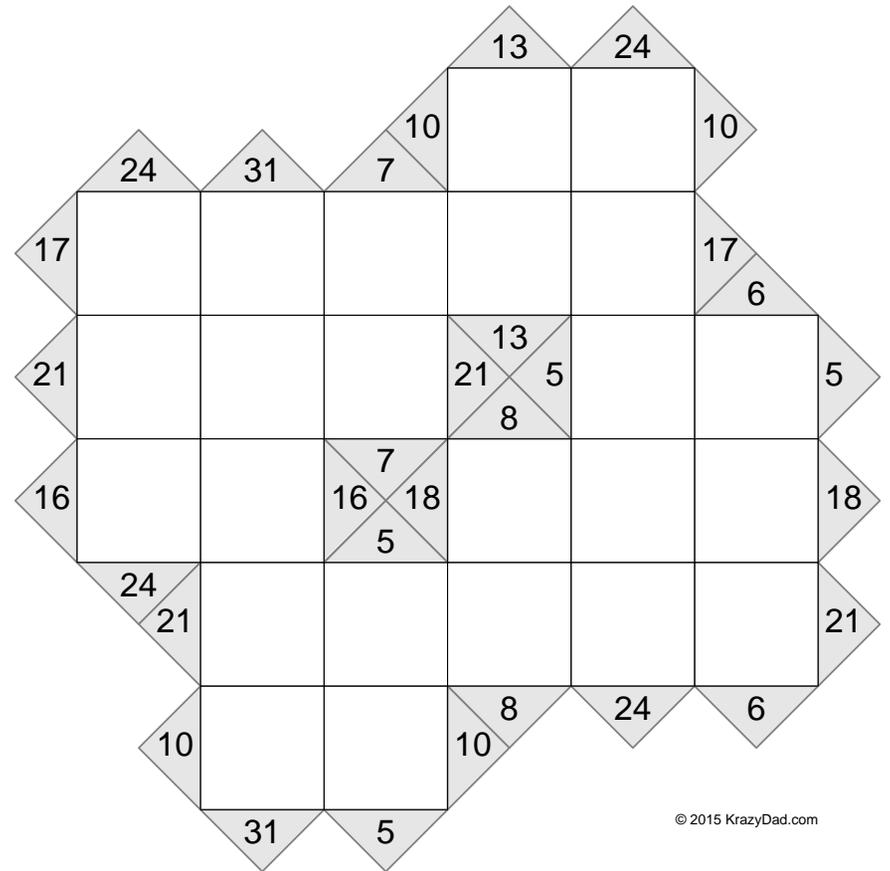

Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word. If you add the digits in a word, the sum will be the number shown in the clue. Clues are shown on the left and right sides of "across" words, and on the top and bottom sides of "down" words.

As long as war is regarded as wicked, it will always have its fascination.
 When it is looked upon as virtuous, it will cease to be popular.
 --Oscar Wilde

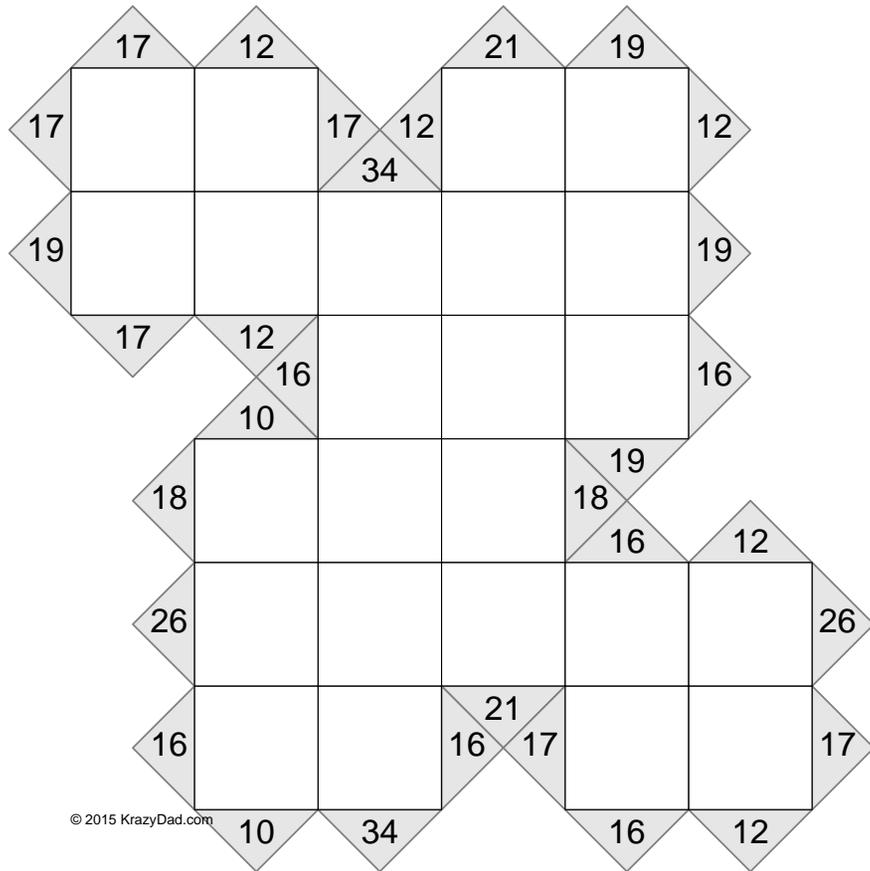

Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word.
