

Kakuro #1

6x6 Kakuro Puzzles by KrazyDad, Volume 12, Book 88

Every great or original writer in proportion as he is great or original, must himself create the taste by which he must be relished.
-- Wordsworth

Kakuro puzzles are like a cross between a crossword and a Sudoku puzzle. Instead of letters, each block contains the digits 1 through 9. The same digit will never repeat within a word. If you add the digits in a word, the sum will be the number shown in the clue. Clues are shown on the left and right sides of "across" words, and on the top and bottom sides of "down" words.

6x6 Kakuro Puzzles by KrazyDad, Volume 12, Book 88

Nothing, indeed, but the possession of some power can with any certainty
 discover what at the bottom is the true character of any man.
 -- Burke
