If an author write better than his contemporaries, they will term him a plagiarist; if as well, a pretender; but if worse, he may stand some chance of commendation as a genius of some promise, from whom much may be expected by a due attention to their good counsel and advice.

-- Colton

The maxim that "Honesty is the best policy" is one which, perhaps, no one is ever habitually guided by in practice. An honest man is always before it, and a knave is generally behind it.
-- Whately
