It seems that nature has concealed at the bottom of our minds, talents and abilities of which we are not aware. The passions alone have the privilege of bringing them to light, and of giving us sometimes views more certain and more perfect than art could possible produce.

The phrase "we(I)(you) simply MUST ..." designates something that need not be done. "That goes without saying" is a red warning. "Of course" means you had best check it yourself. These small-change cliches and others like them, when read correctly, are reliable channel markers.

-- Lazarus Long
