Authoritarian socialism has failed almost everywhere, but you will find not a single Marxist who will say it has failed because it was wrong or impractical. He will say it has failed because nobody went far enough with it. So failure never proves that a myth is wrong.

"Confidence is not arrogance. If you are awesome, people will tell the world for you. You don't need to declare it to the world. That makes you look like an ass. Who you are is how people will remember you. How do you want to be remembered?"

The difference between a moral man and a man of honour is that the latter regrets a discreditable act, even when it has worked and he has not been caught.
