Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

The dotted lines indicate areas which also contain a non-repeating set of digits. These squares can be added together to produce the sums shown in the clues.

Be sure to use the answers page if you get stuck!

*Then here's to the City of Boston,
The town of the cries and the groans,
Where the Cobboys can't see the Kiboshniks,
And the Lowells won't speak to the Cohns.
-- Franklin Pierce Adams*
