Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

The dotted lines indicate areas which also contain a non-repeating set of digits. These squares can be added together to produce the sums shown in the clues.

Be sure to use the answers page if you get stuck!

Always run a yellow light.

The doing evil to avoid an evil cannot be good.
-- Coleridge

When I said "we", officer, I was referring to myself, the four young ladies, and of course, the god.
