Get forgiveness now -- tomorrow you may no longer feel guilty.

It is necessary for the welfare of society that genius should be privileged to utter scolding, no discipline to change good taste, to corrupt the youthful mind, and to corrupt the candid one's senses.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use. Put the numbers in the numbered squares in order 1, 2, 3 until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
