Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

The dotted lines indicate areas which also contain a non-repeating set of digits. These squares can be added together to produce the sums shown in the clues.

Be sure to use the answers page if you get stuck!

Come, let us hasten to a higher plane,
 Where duties in each hour, fields of view,
 The duties in each hour, fields of view,
 Commingled in an endless March of rain,
 -Stanislaw Lem, "Cyberiad"

45	48	78	50	79	80	60	73	74
44	49	32	51	75	43	61	55	66

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use. Put the numbers in the shaded squares in order 1, 2, 3 until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
