Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

The dotted lines indicate areas which also contain a non-repeating set of digits. These squares can be added together to produce the sums shown in the clues.

Be sure to use the answers page if you get stuck!

VIRGO (Aug 23 - Sept 22)
 You are the logical type and hate disorder. This nitpicking is
 sickening to your friends. You are cold and unemotional and
 sometimes fall asleep while making love. Virgos make good bus
 drivers.

Miracles are so called because they excite wonder. In unphilosophical minds, any rare or unexpected thing excites wonder, while in philosophical minds the familiar excites wonder also.
-- George Santayana

23	24	13	2	3	8	12	50	51

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3,... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
