Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

The dotted lines indicate areas which also contain a non-repeating set of digits. These squares can be added together to produce the sums shown in the clues.

Be sure to use the answers page if you get stuck!

 Thank you!

If the work of God could be comprehended by reason, it would be no longer
 wonderful, and faith would have no merit if reason provided proof.
 -- Pope Gregory I
