Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

The dotted lines indicate areas which also contain a non-repeating set of digits. These squares can be added together to produce the sums shown in the clues.

Be sure to use the answers page if you get stuck!

*How do you uncover greatness in a city so poor that a man will provoke another man into an argument just so that his donkey can be eating the other man's grass while they argue?*

*Sweet is the hour of rest. Pleasant the wind's low sigh. And the gleaming of the west, and the moon when we lie.  
-- Mrs. Hemans*

*Of all the agonies of life, that which is most poignant and harrowing -- that which for the most part humiliates reason and dashes our hope of salvation -- one alleviated, mitigated, lessened, where we placed all the trust of love.*  
-- Bulwer

*The person you rejected yesterday could make you happy, if you say yes.*
