Age sits with decent grace upon his visage, and worthy becomes his silver
 locks; he bears the marks of many years well spent, of virtue truth well
 tried, and of experience.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use. Put the numbers in the numbered squares in order 1, 2, 3 until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
