Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

The dotted lines indicate areas which also contain a non-repeating set of digits. These squares can be added together to produce the sums shown in the clues.

Be sure to use the answers page if you get stuck!

All those things which are now held to be of the greatest antiquity, were at one time new; and what we today hold up by example, will rank hereafter as trifles.

"Sorrowful and great is the artist's destiny."

"A lean compromise is better than a fat lawsuit."
 -- George Herbert

Some people are quick to criticize clichés, but what is a cliché? It is a truth that has retained its validity through time. Man's mind would love his hard-earned wisdom, built up over the ages, if it ever lost its clichés.
 -- Marvin G. Gregory
